A detailed pencil sketch of a large, classical-style building with multiple columns and windows, likely Alameda High School. The drawing is done in a soft, artistic style with visible pencil strokes. The building is the central focus of the cover, with the text overlaid on it.

DEDICATION

In dedicating this ACORN to Mr. William G. Paden, the staff and the high school community pay tribute to a name conspicuous in the history of public education in California. While he has spent almost his entire professional career in Alameda, as principal and superintendent, Mr. Paden's abilities have been recognized both statewide and nationally. For twenty-seven years he has served as our Superintendent of Schools. During this period, the Alameda school system has grown greatly in physical equipment, enrollment and scholastic achievement. Indeed, Mr. Paden may confidently know that he has delivered to his successor one of the most efficient, well-organized and excellent school systems in the state—if not in the entire nation.

Mr. Paden is a man of exceptional versatility. His knowledge of educational principles and practices is matched by his knowledge of history, and he possesses professional knowledge of the law. His interests are universal. The great outdoors with its mountains and deserts draws him; people, with their love and tradition, fascinate him—and he mingles among the great and the obscure with equal ease. Mr. Paden's opinions and judgments are sought by those in high office. Complex problems simplify at the impact of his keen mind, and his alertness is a constant stimulant to those about him. He "loves life."

In appreciation for Mr. Paden's service to the high school during his administrative years, and with the genuine expression of "happy days" to him for the future, we dedicate this annual to him. May he continue to enjoy his years ahead in the satisfying knowledge of having done a great work.

In Memoriam

JUNE 1952 - DECEMBER 1952

The ACORN Staff sincerely extends its sympathies to the friends and relatives of the following who were formerly associated with Alameda High School.

MR. FRANKLIN CUMMINGS

1897 - 1952

Mr. Cummings, a teacher of English at Alameda High for twenty-six years, endeared himself to the students and faculty of Alameda High School because of his distinguished character and stimulating personality. Although his loss will be severely felt, his memory will linger long in the hearts of those who knew him at Alameda High School.

PREFACE

THEN . . . fifty years ago, in 1903, Alameda High School was small. The present Language Building served the purpose of providing the workshop of education for a few hundred students and a dozen teachers.

NOW . . . fifty years later, in 1953, Alameda High School has grown to maturity. Two thousand students and a hundred teachers and staff work together toward the fulfillment of the American dream. Today our school covers an entire city block.

THEN . . . in 1903, Alameda was a quiet, residential town. High school students studied Latin, Greek, Grammar, Rhetoric, and Fine Arts. The boy friend took the girl friend for a ride on his bicycle built for two, and both hummed the tune of "Annie Rooney." Swimming was a favored sport and the Debating Society occupied the time of many a young genius.

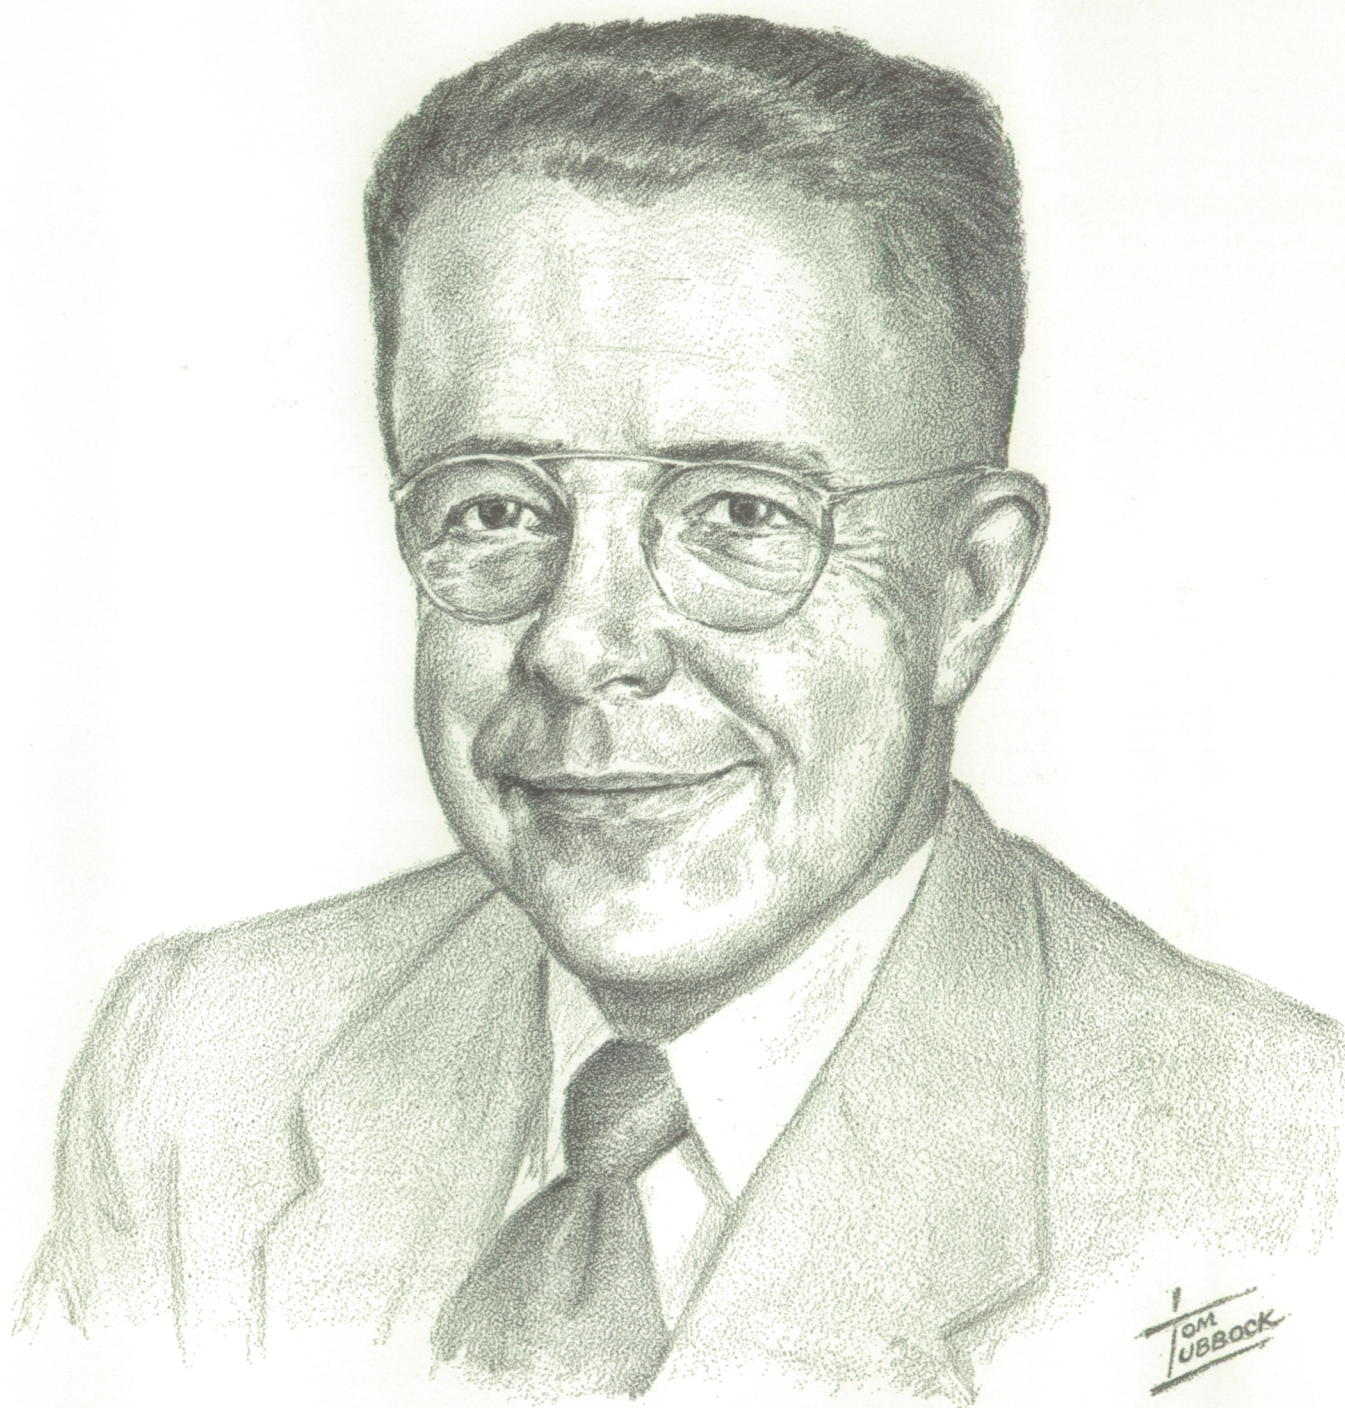

NOW . . . in 1953, Alameda's population is approaching 75,000. To meet the needs of modern living and a growing community, our school provides courses in Homemaking, Auto Shop, Machine Calculation, Creative Writing, Senior Problems, Slide Rule, Pottery and Choir. In sports, our athletes compete with other schools of the Bay Area in football, baseball, and basketball. Our girls participate in Modern Dancing, Archery, and Fencing. Interested students learn and share experiences in such clubs and activities as Star and Key Honor Society, Junior Red Cross, Boys' State, the Operetta, and Chemistry Club. Our graduates now number in the tens of thousands, and many a distinguished citizen holds Alameda High as an endeared Alma Mater.

Fifty years is but a tick of the clock when compared with the endless eons since a child learned from his first teacher. But in that time, education has stepped boldly forward—kindergarten, elementary school, high school, and college.

The school of today has been a dream of many. Those of "then" gave us a starting point in the realization of the "now."

THEN...AND NOW

OUR SCHOOL BOARD

Dr. Donald M. Roderick, Superintendent of Schools

In assuming the administration of a school system in which daily more than ten thousand future citizens of this great nation are learning the skills that make for responsible participation in a democratic society, a new superintendent searches deep within himself to make sure of his values. He is at once awed and honored by the responsibility and trust his fellow citizens have placed upon him. He can but pledge to carry forward this trust to the best of his ability.

OUR PRINCIPAL

Mr. J. M. Bryan

The Alameda High School was started in the year 1894 in a small room over a store on the southwest corner of Park Street and Santa Clara Avenue. It was one of the first high schools to be established in California. By 1902, the enrollment had reached 200 students and the old wooden building on the Porter School grounds became too small to house both the high school and the elementary school. The Alameda Board of Education announced that a bond election would be held to raise money for a new high school building. The students worked hard for the bond election in order to have a new school. The night of the election, when victory was assured, a big bonfire was made in the vacant lot at the corner of Walnut Street and Central Avenue where the west wing of the present high school now stands.

The cornerstone of the new building was laid on September 9, 1902. This building became the west wing of the present Alameda High School and was dedicated May 23, 1903. Sixty-five thousand dollars was set aside for the purchase of land and for the building. When it was completed two dollars and ten cents remained in the fund.

The new building was considered the acme of perfection in 1903, and visitors came from far and wide to see it, commenting upon the wide halls, the artistic stairways, the chemical laboratory, the art room, and the magnificent and spacious assembly hall now known as Little Theater.

Dr. A. W. Scott was principal of the new high school until 1904. Dr. George C. Thompson replaced Dr. Scott at the beginning of the fall term in 1904 and served as principal until 1939. He saw the school increase from 372 pupils to approximately 2,000. He also saw the construction of the fine building which houses the high school today. Mr. Ford Samuel, who is our present Postmaster, was a student of the high school in 1904 and provided me with the material for this brief history of our school.

To Mr. Ernest Coppo, Mr. Robert Pape, faculty advisors, Ken DeVries, editor, Grace Cudworth, business manager, and the entire staff of the Acorn, I wish to express my appreciation for the splendid manner in which you have worked on the publication of the 1953 Acorn.

J. M. Bryan

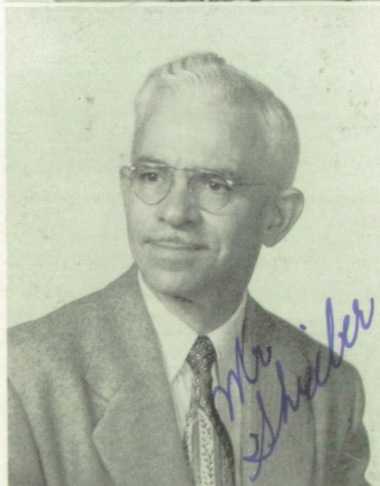

MR. DONALD J. BELL

Mr. Bell, the Vice-Principal, constructs the master program and aids the advisors in the programming of the entire student body. As Vice-Principal, he acts as the advisor to the student body officers and the Men's Board of Control, and in their opinion, he is indispensable. Mr. Bell is always present at any athletic event, being the faculty representative for all such activities. He is the perfect example for our student body to follow, as he is respected and admired by all.

MRS. HELEN HOEKSEMA

Mrs. Hoeksema is the Assistant to the Principal in Charge of Instruction, a very big and important title at A.H.S. Among her many duties are being advisor to G.A. and the Women's Board of Control, orientation of new teachers, and taking charge of the audio-visual and other instructional materials. Mrs. Hoeksema radiates friendliness, and besides being a splendid personality, is always ready to lend a helping hand whenever necessary.

MR. EARL SHRIBER

Mr. Shriber is the Assistant to the Principal in Charge of Attendance and Guidance. It is one of his duties to keep track of the absences of the entire student body. In addition, the always busy Mr. Shriber is in charge of the auditorium staff and the box office. He is in close contact with the counselors, and serves as chief counselor. Mr. Shriber is one whom everyone wants to call his friend.

FACULTY NOTES

In the year 1874, the faculty at Alameda High consisted of two teachers and a principal. Since then, the faculty has steadily grown to where in 1953 Alameda High has a total of ninety-five people currently in employ. Of these, eighty-four are regular teachers, and seven are non-certificated employees besides the principal and his three assistants.

Quite a change has taken place in our faculty for the fall term of 1952. Mr. Cadwell, Mr. Hancock, Mrs. Patten, Mr. Reeves, and Miss Rego left to teach at the newly completed Encinal High School. Miss Barth, Mr. Birkholm, Miss Connelly, Mrs. Goodale, Miss Hook, Miss Jolly, Mr. Levine, Mr. Stowell, and Miss Venard all resigned.

On a leave of absence were: Mrs. Anderson, Mrs. King, and Mr. Moore. Mrs. Anderson took a trip to Europe. A highlight of her trip was an audience with the Pope.

A new addition to the King family, Judy Lynne, arrived on the 20th of September, 1952. Mrs. King is undecided as to when she will return to teach.

Mr. Moore was last heard from Geneva, Switzerland. He had just returned from Austria with his family and was occupied with winter sports. His favorite sport is riding in a one horse open sleigh.

In the spring term Mrs. Barrett, Mr. Saunders, and Mr. Socolofsky resigned, while Miss Wilson left for Encinal High School.

Nancy Vosper also left us after serving as secretary in the attendance office since the fall term of 1950.

Miss Herrick, on a leave of absence, temporarily moved to Los Gatos in order to spend one year there before returning.

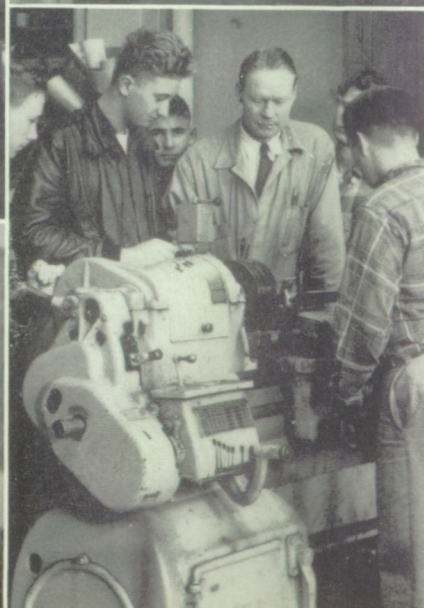

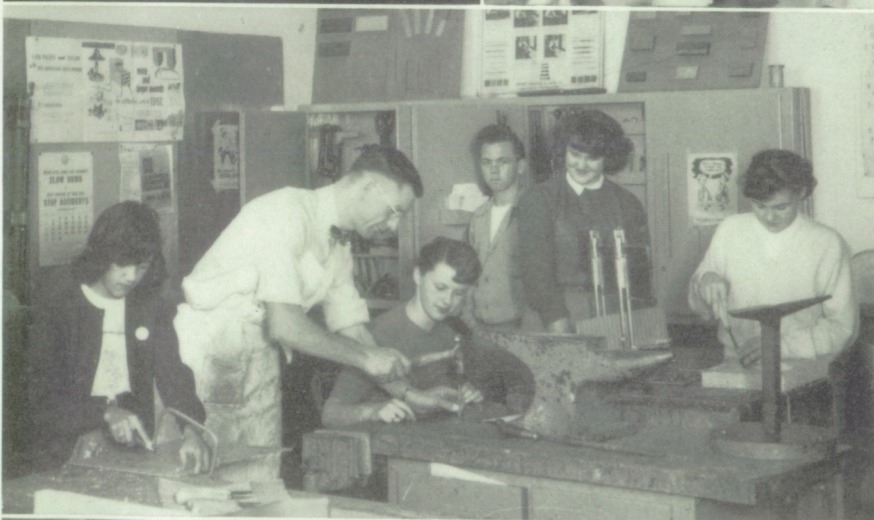

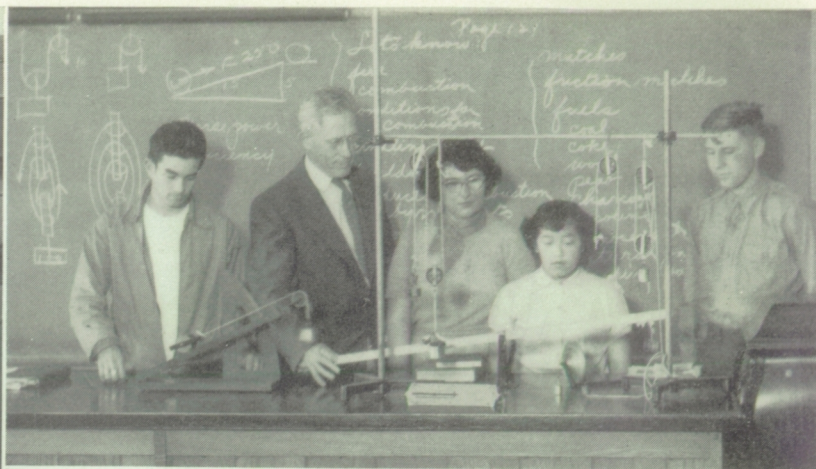

Serving on special committees this past year were Dr. Vigness and Miss Wilson. Dr. Vigness acted as city chairman for organizing the teachers in canvassing in favor of Proposition No. 2. Dr. Vigness is also on the California Teachers Ethics Committee. Miss Wilson, President of the California Association of Teachers of English, Central Section, attended the National Council of Teachers of English at Boston during the Thanksgiving vacation.

President
Dave Mutch

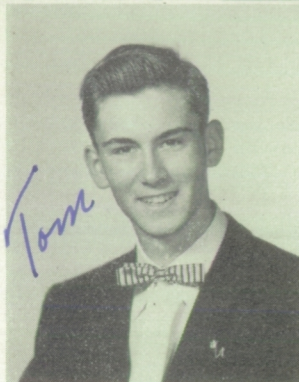

Vice-President
Gail Fletcher

The very popular Dave Mutch was elected President of the Student Body after serving as Recording Secretary, and in turn did an excellent job. Gail Fletcher fulfilled her duties as Vice-President more than adequately, while Recording Secretary Tom Lubbock kept perfect and unique minutes. Financial Secretary Don Furbush secured 100 per cent student body dues in record time, and Yell Leader Chet Singley held the school's spirit at its highest throughout the fall term.

The Student Faculty Committee, composed of twelve student members and six faculty members, met once a week during the noon hour. This committee helped to obtain the entertainment for our Student Body meetings, and then reported and discussed the students' reactions to the meetings. As a result, we got the best in entertainment, plus a very well-run fall term.

The Administrative Board of Alameda High is composed of twenty-two members of the Student Body. With Jom Barber presiding over their meetings, the Ad Board decided the amount of money to be allotted to each school organization, to the President of the Student Body, to each athletic event, and to all other school activities during the fall term.

The Opening Dance, "Kickoff," was managed by Tom Lubbock and Gail Fletcher. It proved to be a very wonderful and successful dance.

The Men's and Women's Boards of Control chose Dick Roesch and Jane Crocket to serve as their Chief Counselors for the fall term. The twenty-four members of each board assisted in keeping order at our student meetings. They were also seen at the football games, making sure that everything was under control in the rooters' stands.

The Boards of Control are respected and admired by all the students of Alameda High School for the wonderful work they did in helping to keep our Student Body "tops."

Talented Tom Lubbock, following in the tradition set by preceding recording secretaries, was elected President for the spring term, and did a tremendous job. Our Vice-President, gracious Pat Cummins, also did tremendous work for Alameda High School while concentrating chiefly on the Service Panel. Our Recording Secretary was casual Duane Roach, who proved very conscientious and succeeded in obtaining 100 per cent minutes, while energetic Kent Williams, our Financial Secretary, secured many student rates and performed a workmanlike task in getting 100 per cent student body dues. Our Yell Leader was vivacious Bev Tollefson, whose inspirational yell leading helped bring Alameda High another A.C.A.L. Basketball championship.

For presentation to the students, the spring Student Faculty Committee arranged a wide variety of programs which were both highly educational and entertaining. Of particular interest were the appearances of Frankie Albert and the Parks Air Force Base Band.

The Ad Board presented its traditional opening dance, "Howdy," which was managed by Duane Roach and Pat Cummins. Under Speaker Bob Heyn, the Ad Board voted on the term's expenditures, including the purchase of gold basketballs for our champion basketball team.

The Spring Men's Board of Control appeared in their traditional yellow and white hats, while the girls wore their extremely neat uniforms with lavender ties.

Harold Mackenzie and Carol May were elected Chief Counselors, and as such, conducted the meetings and trials of the Boards. The Boards of Control again proved to be very efficient working bodies.

MEMORIES

Remember—the awe and excitement we felt that first day back in 1949; the friends we made, the ones who've gone, the ones we see each day, the ones we'll have for the rest of our lives; our movie and Fun Day donut booth; our complete freshness, zest, and enthusiasm which we showed in all we attempted.

Remember—our wonderful advisors who seemed like second parents; the complete joy and pride we felt when our Soph Hop, "Rockin' Horse Ramble," proved such a success; our happy-go-lucky attitude toward everything alike.

Remember—the feelings of importance we experienced at becoming upper classmen; the mint green junior sweaters we proudly wore each student meeting; our "super dooper" hot dog stand at our second Fun Day; our beautiful Junior Prom, "Night in Rio," which we know was worth the hours spent in its preparation.

Remember—our varsity green jackets and sweaters, coat and tie day, Senior sock day, the picnic, the banquets, our lovely ball, and finally the culmination of four very happy years, caps, gowns, diplomas, mixed emotions of joy and sadness, the termination of our high school days, the most wonderful days of our life.

We sincerely hope that you will never lose these wonderful memories which are so much a part of all of us, and when, as time goes by, you feel those memories fading and read this and remember, we feel our task worthwhile and just then completed.

MEMORIES

Our class began high school life with a bang under the leadership of President Richard Aguirre. That was the term when we held our first class meeting and gave our first noon movie. On Fun Day we "scrubs" made a big hit selling potato chips at our class booth.

As High Freshmen, we were again headed by Richard Aguirre as president. We held our second class meeting and gave our second noon movie. By then we were becoming well accustomed to high school life.

By the time we became Low Sophomores we began to develop and show some originality. We broke the tradition of giving a 2A noon movie and gave a noon talent show instead. It was a great success because of the abundant talent in our class. Our president that term was Robbie Brown.

When we finally became High Sophomores we felt pretty important, and we had a reason for that feeling—we were giving our Soph Hop. We called it "Juke Box Jamboree," and it was a really wonderful dance that none of us will ever forget. Our president was Bruce Bradley, and we'll always remember those class meetings that term with Sylvester Harper as our "energetic" Yell Leader. What spirit he created!

Then came our Low Junior term, and were we ever happy to be upper classmen at last! Rich Born was our president and he and his cabinet helped make our soda pop booth on Fun Day a real success.

As High Juniors, we brightened up student meetings when we blossomed out in our yellow junior sweaters. With Bob Marks as our 3B president our class gave a beautiful Junior Prom, "Portrait of Venice." Remember the gondolas, all the flowers, and the framed scenes of Venice which we used for our original decorations?

Our Low Senior term under President Rich Born has been more fun than all the others put together. We presented our Senior Play, "Ring Around Elizabeth," which was a hilarious comedy, and taking part in this play gave us each a thrill we'll never forget. Now we are all looking forward to our final 4B activities at Alameda High School.

With the success of the Soph Hop in the back of their minds, the class of June, 1954, started thinking about their Junior Sweaters. Under the leadership of Dick Lear and Shirley Marie they decided upon navy blue as their color. This semester was enlivened by two class meetings, both of which featured a very good variety of entertainment.

As High Juniors, they were faced with one of the most outstanding social events of the term, their Junior Prom. They responded with "Moonlight and Roses," a title which furnished an appropriate theme for a very romantic dance. It was ably managed by Chuck Smith and Sue Tuter.

This concluded a memorable three years of high school life, and they are now looking forward to meeting successfully the demands of their Senior Year.

As High Sophomores, the Class of February, 1955, was called upon to give the first big social event in their high school career. This was the Soph Hop, and they met the challenge with flying colors, breaking all previous records, socially and financially. They chose for their theme the "Roaring Twenties," which everyone enjoyed, and once again the flappers and sheiks of the Charleston era were back at A.H.S. This affair was managed by Bill Gould with capable assistance from Erlene Fletcher, who was co-manager.

This class continued then to fulfill the promise they have shown from the day they were entering Freshmen. In their Low Junior year they called on the abundant talent in their class and produced an outstanding revue in the form of the 3A Talent Show.

As one can see from their past activities, much is expected of them in their remaining years in A.H.S.

The class of June '55 entered their 2A term full of enterprise and zeal. They started on their road to success with a noon movie, which drew a very good crowd. Next on the agenda was the traditional class meeting, which introduced some exceptional talent to A.H.S. On the last day of school, just before the Christmas Holidays, they chose to hold one big party in the gym instead of the customary advisory parties. This party was very festive and featured dancing and zorchy refreshments.

In their 2B term they had a lot of fun producing their first big affair, the Soph Hop. The very clever name chosen for this dance was "Coney Island Capers." It was well managed by Leroy Velasquez and Joan Parsons. Their capable assistants were the following committee chairmen: Publicity, Peggy Lahmann; Music, Jack Henderson; Refreshments, Nancy Kennady; Skit, Jane Starr; Decorations, Rex Price; Reception, Sandi Turner; and Bids, Nancy English. Their efforts proved highly successful.

This class really started to make a definite impression at Alameda High School with their popular candy booth which they managed on Fun Day. In January they had a successful class movie. They also carried on the tradition of basketball contests in the mornings during long advisories.

In their Low Sophomore year they put on an unusually distinctive class meeting which featured a good band and several amusing skits. Those who took part in the entertainment were: Becky Newell, Nancy Davies, Carol Brady, Sid Briggs, Doug Brenton and Rich Bullock.

The members of this class have shown not only good class spirit but school spirit as well. They have actively participated in many school functions.

In the fall when school started, this class quickly showed school spirit by giving a noon dance, "The Frosh Frolic," which provided an enjoyable noon-time for the rest of the students. Several different advisories showed their Christmas spirit by giving packages to the needy. Two advisories, Miss Reichmuth's and Mrs. Berry's, distinguished themselves by winning the P.T.A. membership drive.

When the class became High Freshmen in February, they continued to participate enthusiastically in activities as they had done the previous term. The class had many successful ventures: they had their own class cards printed like our student body cards, the officers capably conducted their class meeting on April 15, and on May 6 they held their 1B movie, for which they economically printed their own tickets.

For Low Freshmen, this class was certainly full of enthusiasm and spirit. As soon as they began Alameda High, they started planning for a noon day dance. It was held on March 25, and almost four hundred students attended. This successful venture was named very appropriately, "High Noon Hop." Their class meeting on April 15 was reported by many as the best 1A meeting ever held.

"Are all the pictures taken for this page? Is the copy in? Is the layout balanced?" These are but a few of the questions one has to answer when he edits a yearbook. For eight months the staff has been working feverishly to put out the best yearbook that has ever come out of Alameda High. Being editor of the ACORN, one begins to appreciate what an outstanding student body and fine faculty Alameda has. Had it not been for the fine co-operation of all concerned this book could never have been published.

I would like to thank Mr. Coppo and Mr. Pape, our faculty advisors, for without their tireless and unending help we would have been in utter turmoil. I also extend my appreciation to the whole Editorial and Business Staff, who have made us all proud of the 1953 ACORN. We hope you will enjoy it as much as we did in editing it for you.

The Oak Leaf staff sets as its goal each year the hope of producing issues which give the student an entertaining and interesting coverage of life here at A.H.S.

High school newspapers, though they are not as professional as those sold at corner newsstands, are an essential part of the life and traditions of the school, and we hope the students of A.H.S. regard the Oak Leaf in the tradition which we have tried to uphold and increase.

DEATH TAKES HOLIDAY

The class of June, 1953, presented their Senior Play, "Death Takes a Holiday," on November 7 and 8. This class, instead of giving the usual light-hearted comedy, presented a serious play. The plot of the play centered around the idea that Love will inevitably triumph over Death.

In the play, Death, Prince Sirki, takes a brief holiday to Earth in order to experience the different sensations of mortal life. He falls in love with Princess Gratzia, and as the end of his holiday draws near, he realizes he will have to leave Gratzia. She persuades Prince Serki that she must accompany him and their love for each other is so strong that they leave together.

The invaluable Mr. Lloyd Sisler not only served as the very capable director, but he also wrote the prologue which added a great deal to the play. Miss Edna Reichmuth designed the handsome set.

The play was very well received by an engrossed audience who will remember this dramatic production for many years.

RING AROUND ELIZABETH

The class of February '54 presented their Senior Play, "Ring Around Elizabeth," the nights of March 20 and 21, 1953. Mr. Lloyd Sisler did his usual superlative job of directing. An interesting set was provided by Miss Edna Reichmuth.

This class chose a very funny comedy, all about the hilarious complications that arise when the mother of a rather eccentric middle class family inherits a sum of money. Each member of the family wishes the mother, Elizabeth, to spend the money to his personal advantage. Elizabeth, nearly driven to distraction by having to decide whom she should favor, isn't helped too much by the arrival of an old college chum, who is somewhat dismayed to see the common-place life that Elizabeth is now living. Then, to top everything, a policeman brings Elizabeth home suffering with amnesia!

What she finally decides to do makes a very satisfactory finish to this extremely entertaining play.

OUR VOCALISTS

The Choir and Girls' and Boys' Glee, under the direction of Mrs. Sue B. Starck, have proved to be an indispensable part of our high school's activities. The Choir was especially active at Christmas, singing for the Christmas Pageant, and also singing carols around the school and Alameda. Entertainment for one of the Student Body meetings consisted of a program presented by the Choir and Modern Dance Class.

Alameda High School is very fortunate in having an extremely fine orchestra to play for us at all important functions. Under the capable direction of Mr. Carlton J. Hanson, the orchestra has performed at graduation and the Senior Play.

Our always essential band, directed by Mr. Edward Lee, performed at many functions during the past year. They added much to the spirit at the football games and performed a community service when they played for the welcoming of two Aircraft Carriers from Korea. The band also accompanied the Talent Show.

CHRISTMAS PAGEANT

REHEARSAL FOR CHRISTMAS

On December 18, 1952, the annual Christmas Pageant was presented in the A.H.S. auditorium. It was ably directed by Miss Los Kamp, who was assisted by Claudia Tildesley, student director. Essential assistance was given by the Choir, under the direction of Mrs. Starck, and members of Mrs. Braun's Modern Dance Class. Miss Reichmuth was responsible for the attractive sets.

This year the play chosen was "Rehearsal for Christmas." This play concerns a boy, Johnny, who is in charge of getting the stage ready for the pageant. Johnny, it seems, shows a complete lack of Christmas Spirit and very little understanding of Christmas customs. The true meaning of Christmas is explained to him as he sleeps, by the Spirit of the Christmas Tree, who acts as narrator while various tableaux connected with Christmas unfold. As the play ends, Johnny and his stage helpers, Tom and Bill, invite the entire audience to join them as they sing "Oh Come All Ye Faithful," leaving everybody in the holiday spirit.

Members of the cast who had speaking parts were Jim Kirk as Johnny, Larry Tavernier as Bill, Royce Gladden as Tom, Joan Campbell and Ginger Waterlow as the Spirits of the Christmas Tree, John Cannon as Father Moore, Chet Singley as Hans Gruber, and David Madison, Bob Loorz, and Herman Davis as the Three Kings.

BOYS' STATE

Again this year five of our outstanding boys were sent to Boys' State. They learned how our state government functions by forming and running their own "state" government. Each of the boys was elected to the following offices: Don Furbush—Secretary of Public Works, Skip Perkins—Member of the Supreme Court, Tom Lubbock—Secretary of Mental Hygiene for the state, Duane Roach—Assistant District Attorney, and Bob Wilson—appointed to the Fish and Game Commission. They all agree that this was a very profitable experience for them.

GIRLS' STATE

This year, Peggy Clements, sponsored by the American Legion Auxiliary, had the honor of being selected from the Junior class and sent to Girls' State in Sacramento. There she took part in the city, county and state elections in order to understand just how the government works, and was herself the city editor on the staff of the daily paper.

YOUTH CITY

Again this year Alameda, Notre Dame, and St. Joseph's High Schools participated in Youth City Week, sponsored by the Optimist Club of Alameda. Every year the various city officials are elected from the student bodies of these schools to govern the city for a week.

The five officials who took part from Alameda High School were Kent Williams as City Manager, Barbara Tuter as Fire Chief, Donna Taylor as City Clerk, and Duane Roach and Skip Perkins as Councilmen.

After a hectic week of dinners, luncheons, banquets, meetings, and other activities, the chosen officials were presented plaques at St. Joseph's High School which served to remind them of the week in which they took over the responsibilities of governing a city.

SENIOR OPPORTUNITY DAY

The Low and High Seniors again took advantage of Senior Opportunity Day on May 20 to help decide their future vocations. The fitting theme was "Open Doors." It was well planned by Co-Chairmen Dale Reno and Eleanor Lima, and their General Chairmen Shirley Heimerle, Marcia Staude, Bob Wilson and Phil Coke. The typists of the program and correspondence were Pat Archinal and Donna Potter. Program cover design was furnished by Arlen Allinger and Claudia Tildesley. Mr. Kochler served as Coordinator of this highly informative affair.

FUN DAY

On May 23, 1952, Fun Day was held, a bi-annual affair at Alameda High. The Manager and Co-Manager were Ken DeVries and Mary Jane Decker.

All the classes, clubs and other organizations had their own booths and concessions and sold a great variety of things, ranging all the way from popcorn and cokes to French pastries.

The Choir put on a Talent Show which was very popular, and later in the afternoon the Ad Board held a Fun Day Dance, the "Lollypop Hop." It was managed by Duane Roach and Marcia Staude. At the dance Judy Aasum was crowned queen and was presented with a beautiful orchid corsage.

Fun Day was true to its name. Everyone had a very enjoyable time, and we are looking forward to next year's Fun Day.

The Alameda High School Girls' Association was organized for one purpose and that was to create a common interest among the girls at A.H.S. The officers of both the fall and spring terms did exactly that. During the past year G.A. presented two unique freshmen receptions, "Round-Up" and "Buz-zie's Adventure." Also during the year the organization gave two fashion shows which were very impressive, "Fashion Holiday" and "Fashions Fit for a Queen." Under the expert counselling of Mrs. Helen Hoeksema, the officers accomplished a very important thing and that was giving the girls of A.H.S. a closer and more lasting companionship.

JUNIOR RED CROSS

The Junior Red Cross of Alameda High School has been very active this past year. The organization conducted the Red Cross Fund Drive, helped out at the Chapter House and caroled at Oak Knoll during Christmas time. For the Easter season the Junior Red Cross made tray favors for the boys in the hospital. The J.R.C. worked hard to provide a ray of happiness for those who would otherwise have gone without. Faculty advisor, Miss Annabel Wann, gave many hours of service to the club and its purpose, and with the officers of both the fall and spring terms gave Alameda High a club to be proud of.

The California Scholarship Federation of Alameda High School engaged in numerous activities during the past year. In the fall term, C.S.F. and the Chemistry Club enjoyed a delightful excursion to San Francisco. They visited the Ferry Building, the Plantarium and deYoung Museum in Golden Gate Park, and the Presidio. In the spring, chosen club members attended the C.S.F. convention which was held in Gilroy, California. On May 8th, the Junior and Senior members went to the University of California Campus where they received a pleasant view of college life. During the spring semester, C.S.F. sponsored a Latvian Trio at one of the Thursday student meetings. The Trio, a charming group of accomplished musicians, offered the students an enjoyable variety of concert music.

The final activity for the year was a party given in honor of the graduating Seniors and held in the Model Apartment of the Homemaking Department. The officers, under the leadership of Mr. Roeder S. Stinson, worked exceptionally hard and were able to complete a very active and interesting year.

The Star and Key Honor Society held many an interesting meeting last year. During the spring term the Star and Key traditionally sponsored a student meeting and brought to the students of A.H.S., Shakuntala Devi, a mathematical genius from India. Meetings were held once a month under the capable sponsorship of Mrs. Courtney Smith who, with the aid of the hard working officers, was able to fulfill the club's purpose: that of promoting good fellowship among Alameda High School students.

The Alameda High School French Club participated in many school activities this last year. Among their many activities, "Le Cercle Francais" presented in the fall term a dinner and dance party, "Paris a la Nuit," which was a tremendous success. Their traditional spring flower sale, which was looked forward to by all A.H.S. students, proved to be profitable as well as colorful.

"Le Cercle Francais" selected for their club pin, the "fleur-de-lis," symbolizing the French national flower. It was worn with pride by all club members. Under the capable leadership of Mrs. Francis Lee, the spring and fall officers were able to complete one of the French Club's most successful years.

During the year the Latin Club held a cake sale which netted a handsome profit for the club's treasury. A Christmas party for the entire club was held in the school cafeteria providing a wholesome and enjoyable afternoon for all who attended. The club also helped Tri Iota in sponsoring the adoption of a Polish war orphan. Mrs. LeNore Marker, director of the club, provided the club officers with many valuable and interesting ideas. At the close of the term the Latin Club held a "Hello Summer" party, bidding goodbye to another memorable year at A.H.S.

The Alameda High School Spanish Club was completely reorganized in the spring term of 1953, and the members chose the name "El Circulo Español." During the spring term the new club held many varied and interesting meetings with a variety of entertaining features. The purpose of the club was to help the students gain a better understanding of the people and customs of Spanish speaking countries. Under the combined sponsorship of Mrs. Maria Tays and Mrs. Margery Weisenborn, "El Circulo Español" was able to attain a club membership of 170.

Under the leadership of Mr. Darrell Coughlan, the Chemistry Club completed a very interesting as well as educational year. Several fascinating experiments were performed by club members at the meetings, proving to the members again that old saying, "seeing is believing." Busy as the club was this year, quite a few of its members found time to participate in the Student Talent Show. In the fall the Chemistry Club, with C.S.F., journeyed to San Francisco where they visited the Museum of Natural Science and the exciting Planetarium. At the close of the year the Chemistry Club officers and members could sincerely say that "Chemistry was Fun."

The Women's Block A did much this past year to promote the spirit and enthusiasm shown at our games. The colorful pom poms and school decals which the girls sold were evidence of this fact. Women's Block A sponsored a student body meeting in the fall of '52 and again brought the Gad-a-Bouts to the portals of A.H.S. A progressive dinner was held for the incoming members during which they were formally accepted into the organization. The Women's Block A had two new sponsors the last term, Miss Janis Botts and Miss Jeanne Marshall, who had many fine ideas for interesting activities for the Block A. The officers and sponsors worked very hard to make the year of 1953 a very successful one for the Women's Block A.

For a numbers of years Tri Iota has been one of the most important clubs in A.H.S., inasmuch as it has continued to promote tolerance, friendship, and good fellowship among the students. Following through with their theme, Tri Iota adopted a teenage Polish girl, Zophia Hartman, who was orphaned in the last war. The organization was able to be her foster parents for one year by sending, with the aid of other clubs, \$15.00 a month. This provided Zophia with many things which she otherwise would do without. The club held interesting and different meetings and often had outside speakers as guests. In the spring term the members enjoyed a successful picnic at Live Oak Park. Under the efficient supervision of Mr. James Hull, the club accomplished many wonderful things and proved again that its principal aim, international understanding, was more than realized.

The Dianas, a new club in A.H.S., had many interesting and varied activities in 1953. The club presented three dances during the year: "Scarecrow Scramble," "Double Dutch" and their annual formal dance which was held in May. Among other numerous activities, the club went ice-skating and held a pot luck dinner for their parents. The officers of both terms worked exceptionally hard to make their first year in A.H.S. outstanding.

The Pagettes were very active last year, participating in charitable as well as entertaining activities. These included their dance, "Rudolph's Romp"; a pot luck dinner; a collection of clothes for European underprivileged children; a swimming party; and a meeting at which stuffed rabbits were made for the children at Easter. The club pledged twenty new girls and, all in all, had a very enjoyable term.

The 1953 grid season was ushered in with Alameda High boasting one of its heaviest and most experienced lines in recent years. The line was anchored with returning veterans Paul Trento, Dale Reno, James Coffee, Dave Madison, and Bob Carmingnani. Harold Mackenzie and Ron Stefani, the best of the Junior Varsity linemen, rounded out the defense. In the backfield were veterans Gordy Dupree and Ted Swisher with Leotis Hunter and Levi Mason adding the needed speed.

As has befallen all Alameda teams in recent years, injuries cut deep into the plans of Coach Socolofsky—this factor causing his well-planned attack to bog down. Fighting, often with terrific handicaps, the Hornets gained much honor around the league by giving the highly vaunted Richmond Oilers a scare, when on a freezing, windblown night the Hornets fought the Oilers in a thrilling contest that ended with the score, 13 to 9.

As the veterans dropped by the wayside because of injuries, many boys without varsity experience were forced into play and boys like Robbie Brown, Dick Childs, Whitey Thornton, Charlie Bruce, Harvey Oransky, and Henry Landry showed promise of things to come. While lacking the knowledge that comes with experience, they showed the courage and aggressiveness that is needed for a strong and winning team. By carrying eighteen sophomores, Coach Socolofsky developed a team that can be expected to carry on the tradition of the fighting teams that Alameda and Coach Socolofsky have produced.

COACH "SOC"

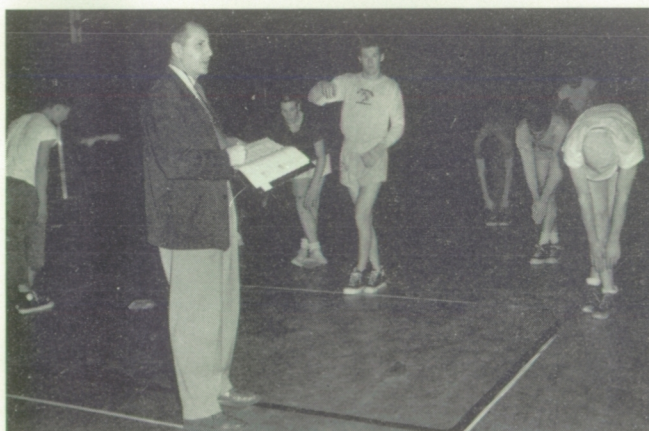

The stands are empty; the last shower has been turned off; the locker room is vacant; the battle uniform has been put away; another war of the football giants has come to an abrupt end, and with the passing of the gala holiday spirit that accompanies the reviewing of the gladiators in the pitch of battle, goes the coach of the Alameda High School Hornets, Charles Socolofsky. After eight years of the football wars at A.H.S., "Soc" is forced to call a truce since personal business demands his presence in his home state of Kansas.

While fighting in the ranks of the most powerful league in Northern California, "Soc" came out ahead 26 times in the furious battles that raged on the turf of the A.C.A.L. schools. He dropped only fifteen decisions to the enemy, while six ended with the god of war undecided. These encounters netted "Soc" a total of 728 points as against 470 for the opposing generals.

Coach Socolofsky did not restrict his talent only to the gridiron, because in the off-season he coached the class B track team and produced some of the finest cindermen in the state. In 1951, "Soc's" B relay team won the North Coast title.

And so with the rolling of the drums, we of Alameda High School bid farewell to one of the finest men ever to pass through the portals of this institution. In the fifteen years "Soc" has been a coach, he has made many friends, all of whom are sorry to see him leave the coaching profession—because in losing him football loses one of its finest representatives.

JUNIOR VARSITY FOOTBALL

Under the tutoring of Calder Hayes, the Junior Hornets promised to carry on the fine tradition of good football at A.H.S. Launching the season as if they were going to set the league afire, the J.V.'s swarmed over all opposition and acted as if they were not to be denied until several players were called up to the varsity to fill in on that injury-riddled team. They were finally stopped by the El Cerrito team, and the rest is history.

FROSH-SOPH FOOTBALL

The Baby Hornets of Alameda had a rugged season under the coaching of Mr. Scott. Many future stars were in the making and valuable experience was gained by all.

In Alameda's new football setup, a boy, even to be kept on the squad, must be a better than average player. This qualification has been adopted in an attempt to build bigger and better teams for the future.

VARSITY BASKETBALL

Hail the conquering Heroes! The 1953 Hornets of Alameda High have just completed their most successful season since Hank Jones took over, back in 1944. Not only are they Alameda County Athletic League Champions, but, because of their victories in the Tournament of Champions, they reign as champions of Northern California also.

Boasting a team of well-rounded strength but lacking in height and depth, Coach Jones was forced to use many of the same players during the entire game. Willie Davis, the league's leading scorer, was indispensable to the team on the floor as well as in the scoring department. Not only was Willie the league's leading scorer, but he broke the all-time scoring record for the Tournament of Champions as well. Also he was the leading scorer at the Chico Round Robin tournament in which the Hornets placed second. Sam Hitcher's floor play was unsurpassed in prep circles and his scoring in the clutch kept Alameda in many ball games. Lionel Brackins' shooting, faking, and passing were superb and his continual harassing of opponents gave the enemy little rest. Isiah Thomas, called by many the unsung hero of our squad, was so magnificent on the backboards that men who towered far above him found it difficult to control the boards; in fact, there was not one game in which an opponent center had complete control of the backboards. Sylvester Harper was the all-around player that every team needs and often depends on. His passing, shooting, dribbling, and all-around play were so dependable that Hank had a hard time replacing him when his over-aggressiveness caused him to foul.

Together, these boys formed a team that was destined to rule the prep basketball world from Fresno to the Oregon border and from the Pacific Ocean to the Nevada line. In league play the Hornets emerged with a record of ten victories and only two defeats, losing only to Richmond and El Cerrito and later avenging both defeats. In the two tournaments in which they participated, they won eight games and lost only one for a seasonal record of twenty-six victories and six defeats. The 1953 Hornets of Alameda High School were definitely Champions of Champions!

JUNIOR VARSITY BASKETBALL

Under the direction of our new coach, Chuck Butler, the 1953 Junior Hornets had a most successful season. The Baby Hornets took second place in the A.C.A.L. Junior Varsity league and placed two players on the All-League team. In league play the Hornets compiled a record of eight wins and four losses. For the entire season they won thirteen and lost seven encounters.

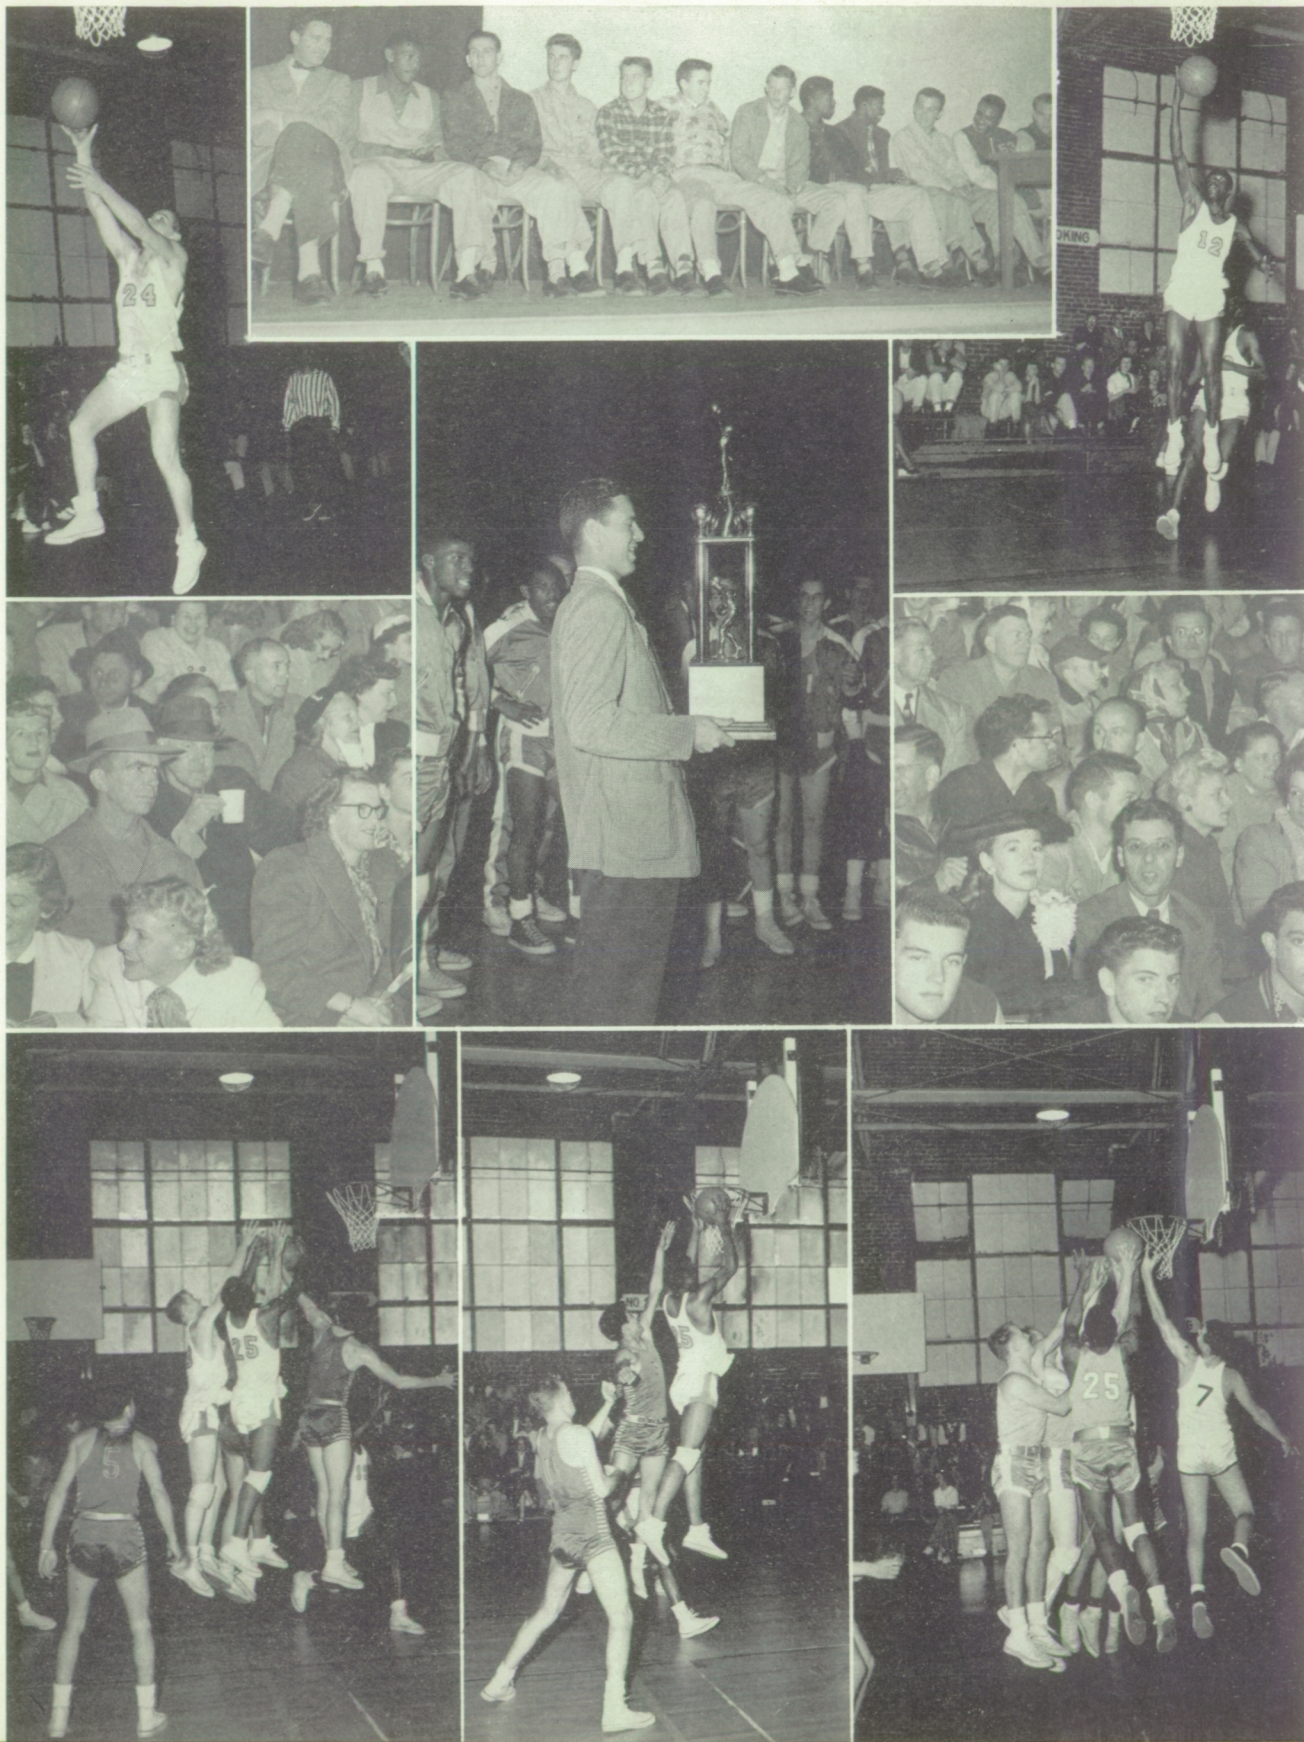

Coach Butler, in his first year at Alameda High, developed several fine players, who should help the varsity very much next year.

VARSITY TRACK

"With a little luck they can win it." So goes the prediction that Coach Jolley makes about his 1953 Hornet track team. Because the season is still underway at this writing, it is impossible to give final results, but from pre-season showings and last year's results, it is safe to predict that the team will be one of the best that Coach Jolley has ever produced.

Very strong on the cinder paths but lacking sufficient strength in the field events, Alameda must still rely on the runners for most of the points. When the final points are counted, you can be sure Alameda will be up near the top in the very strong Alameda County Athletic League.

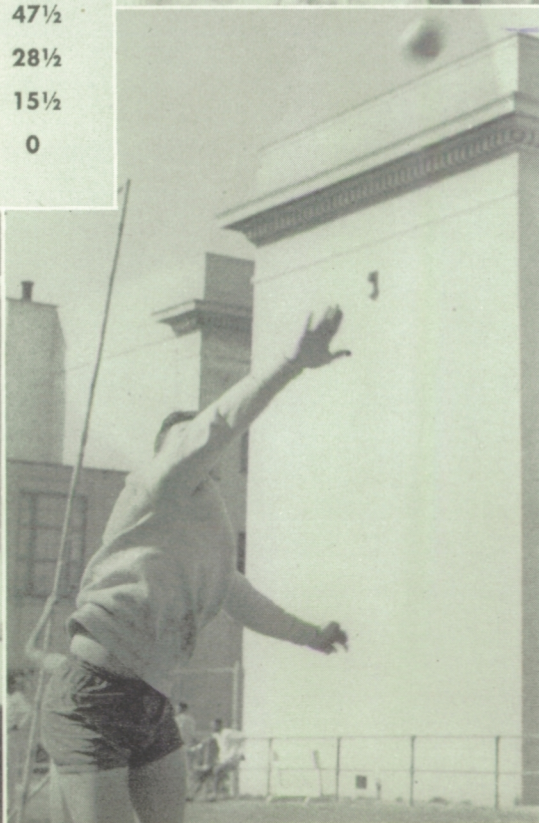

B TRACK

Under the coaching of Chuck Butler, the 1953 Baby Hornets of Alameda High continue to enjoy the fame they earned under the now retired Coach Socolofsky. Very strong at almost all positions, they are sure to turn in another fine season this year. Tabbed as one of the best class B teams in Northern California last year, they are working very hard at retaining this new won fame.

VARSITY AND JV BASEBALL

VARSITY BASEBALL

As the 1953 baseball season is just getting under way, Coach Hayes has a team that can and probably will win the league title this year.

The entire infield is returning from last year's second place team, and veteran pitchers Sylvester Harper, Elmer Price, and Tom Lubbock give the Hornets a very good pitching staff. Sam Hitcher is the only returning outfielder, but Chuck Dexter and Joe Wilson will fill in quite well at the vacant spots. Utility players, Walt Sasser and Jesse Murdock, can fill in at any position wherever needed. Much is expected from Larry Hogan and Bob Dixon who round out the staff by giving the Hornets probably the best pitching in the league.

The all-veteran infield finds Dale Reno as catcher; Ron Stefani, 1st base; Isiah Thomas, 2nd base; Lionel Brackins, 3rd base; and Mike Weldon at short stop.

We wish the 1953 Hornet baseball team the best of luck in their drive for the A.C.A.L. title.

JUNIOR VARSITY BASEBALL

Even this early in the season, the Junior Hornets have made a very remarkable showing under the tutoring of Coach Borg, who took over after the illness of Chet Millett.

Many fine players are on the team and many young athletes are being developed for the future. With power at the plate and smooth pitching going along with the lively infield, the Baby Hornets should do quite well this season.

TENNIS

Coach Hank Jones predicts that his team will "win its share" of matches in the strong A.C.A.L. League. Knowing the tall Texan's modesty, you can expect the team to represent Alameda High in fine style and as is a custom with Alameda teams, this one will be in there fighting all the way.

Under Coach Jones' fine teaching, we know much valuable experience will be gained for the future.

GOLF

Coach Lewis Jolley is expected to field a team that should go all the way in the Alameda County Athletic League this year. With veterans John McMullin, the 1953 Northern California Junior Champion, Alf Burtleson, and Jack Cummins anchoring his team, we don't see how they can miss. As of this date they have met no opponents but, from last year's showing, they should be rated at the top.

GIRLS' ATHLETIC ASSOCIATION

When girls become high freshmen and have an "A" or "B" in physical education, they are eligible to become members of the Girls' Athletic Association. They may express a desire to join the group. Girls are approved by the girls' physical education faculty on the basis of skill and sportsmanship.

There is a varied field of sports for girls in the Girls' Athletic Association. Some of the sports are available away from school. The girls taking a team sport receive seventy-five points. The members of the winning team receive twenty-five extra points. The girls taking an individual sport receive fifty points. Those who are outstanding receive extra points for that sport. Numerals are given to the girls on winning teams and to the girls who are outstanding in individual sports.

When a girl accumulates six hundred points, she may receive a Circle "A." A Winged "A" is presented to any girl who has nine hundred points. When twelve hundred points have been accumulated by any girl, she receives the Block "A" and automatically becomes a member of the Girls' Block "A" Society.

The Girls' Athletic Association elects officers and holds business meetings. They have two sales a semester in order to raise money. These sales are the Cookie and Fudge Sale and the Pencil Sale. Many social events are enjoyed by the girls. Some of these events are the G.A. Talent Show, the Play Days with other schools, and the Student Meeting sponsored by the Girls' Athletic Association each term. The semester is climaxed by a Spread, when the numerals and awards are presented.

The girls of Mrs. Braun's Advanced Modern Dance Class can look back over many pleasant activities this past year. Members have attended dance symposiums and programs from which they have gained more interest in and acquired a better understanding of the dance.

Last year a program was presented to the public under the able direction of Mrs. Braun, and since then the class has participated in two G.A. Fashion Shows and "Rehearsal For Christmas." You will all remember the dance and musical program presented for the students this spring. What would an Operetta or a Christmas Pageant be without modern dance?

The Reserve Officers Training Corps of Alameda High School is a unit of the Junior Division of the Army R.O.T.C. The R.O.T.C. is not connected with the Army of the United States in any manner except that the students are supervised by a Regular Army staff attached to this unit and are supplied with Regular Army equipment.

The purpose of the four year course in R.O.T.C. is to lay a foundation of intelligent citizenship within the student and give him such basic training as will be of benefit and value to him should he ever be called into the service of the United States.

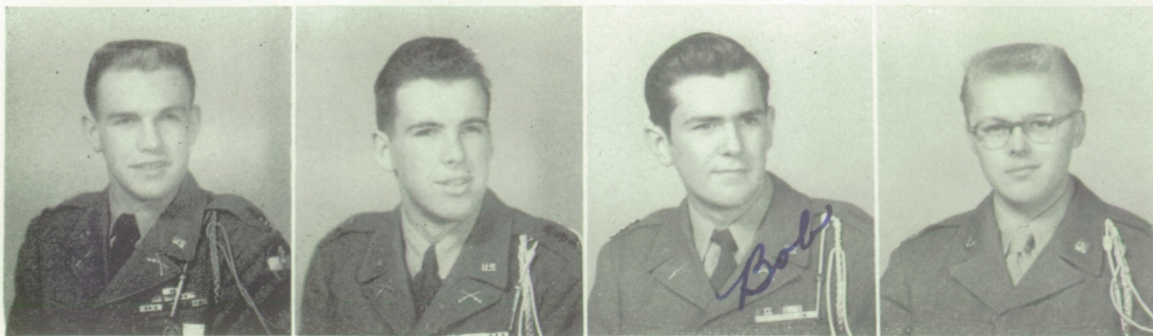

The R.O.T.C. battalion of Alameda High consists of three companies of approximately fifty men each, a band of twenty-seven pieces, and a staff of twelve men. The battalion also has in it eight girls designated as honorary cadet officers. The girls are chosen for the positions by cadet officers who have the rank of Captain to Lieutenant Colonel.

THANKS . . .

- . . . to Mr. Bryan whose help and advice proved invaluable.
- . . . to Mr. Thurlow and Miss Prichard of California Art & Engraving Co. for their assistance with artistic design and for providing answers to our endless stream of questions.
- . . . to Mr. and Mrs. Penny of Hartsook Studio for the excellent photography and unfailing co-operation.
- . . . to Mr. Retchin of S. K. Smith and Co. who helped select our cover.
- . . . to Mr. Kennedy, Mr. Morrison and Mr. Shaw of the Times-Star Press who have composed and printed the entire book, and especially for their understanding and co-operation.
- . . . to Mrs. Hall and the office staff for their patience and aid.
- . . . to Mrs. Hoeksema and the Counsellors for the use of their office facilities.
- . . . to Miss Powers and the Oak Leaf Staff for the wonderful publicity throughout the year.
- . . . to Mrs. Berry and her office practice classes for the many requests for mimeographing.
- . . . to Miss Reichmuth for her helpful advice and for advertising supplies.
- . . . to Dr. Vigness for contributing the dedication.
- . . . to Barbara Bridge, Ann Haugen, and Ed Wundrum for their help in editing copy.
- . . . to Carol Mack for her untiring effort in helping to type the reams of copy.
- . . . to the class of June '52 for their generous gift.
- . . . to all the faculty and students for their help with copy and picture identification.

ADVERTISEMENTS

"A good turn deserves another" is a time-honored adage which the staff considers appropriate for consideration at this time. You have enjoyed your book; your staff has enjoyed bringing it to you. Now, as you leaf through the remaining pages, remember the individuals and firms who have contributed a great deal to the success of this book by the purchase of advertising space. They have supported us; now let's support them.

The next time you are near one of these firms, drop in, look around, say "hello," and thank them, as we do.
